

## Classic Negroni

---

You may recall that the drink of the summer was a sbagliato. This is not that, but it is kind of close to it. More of a spirit-forward and bitter drink

## Martini

---

Probably the most classic cocktail there is. Very spirit forward. Specify whether you want it with gin/vodka or dirty/clean

## Daquiri

---

Spanish-style rum, lime juice, & simple syrup shaken for a light and tropical drink
